

Discontinued Products

Dear partners,

To meet the latest market demand by technology innovation and latest international safety regulations, we will gradually phase out some products that will be discontinued or reaching EoL as the following table. When the listed series enter the recession period, they will be replaced by other more competitive products.

Series	Discontinued Date	Replacement Product	Remark
LFC Below 60W	2022/6/30	LFC flicker free series	IC delivery issue
LDC	2022/9/30	X6L M&V series, 36W~60W	IC delivery issue
LUP	2022/9/30	X6 Dail series, 2022/Q3	IC delivery issue and product upgrade
LCP	2022/9/30	X6 Dail series, 2022/Q3	IC delivery issue and product upgrade
LDP	2022/9/30	X6 M Version: 75W~320W	Products iteration

Remark:

1. For the above EoL series, our company will have no stock, order MOQ will be adjusted to 1K, and lead time will be adjusted to 60 days.
2. LUP&LCP Dali dimming series, if have any order demand, please provide the planned order quantity before April 30, and the order delivery can be supported until 2022/Q4.
3. LDP-040M048 and LDP-062M048 models are not included in the LDP discontinued series. If have special demand for LDP series, please report in advance and provide the planned order quantity. The MOQ of the order is adjusted to 2K, and the delivery cycle is adjusted to 60 days. The order delivery can be specially supported to 2023/Q2.
