

## Product Retirement

Dear partners,

Influenced by market demand, technological innovation, global regulation, standard update and replacement of current products, our company will gradually eliminate some products entering the recession period and constantly launch more competitive new products. The following is the list of products that have been delisted and stopped. After the delivery of existing orders, no new orders will be accepted.

Please feel free to contact your MOSO sales representative if you have any questions.

Series	Discontinued Date	Replacement Product	Remark
LHP	2021/5/20	2021/Q4	Certificate overdue
